

ESSENTIALS SERIES COLOR DOCUMENT SYSTEMS simplex copier**Designed for today's individual workstyles.**

From media handling to workflow and collaboration, the new Essentials Series delivers the features businesses need to get the job done.

The new Essentials Series color document systems enable workers to collaborate and share information seamlessly and securely. Enhanced cloud services such as Microsoft Teams makes it easy to streamline communication and enhance productivity with hybrid workers.

Easy-to-use Touchscreen: Award-winning design that delivers an accurate, responsive user experience, designed for today's sophisticated workstyles.

Technology Priced for Efficiency: Innovative features for enhanced auto share capabilities ensure jobs come out right the first time, every time.

Seamless Application Integration: Easy access to expanded cloud services, quickly connect with mobile devices, including touchless operation with the Sharp Spray-on for safe.

Leading Security: The Essentials Series uses the latest security technology in today's hybrid working environments to protect endpoint devices from security threats.

10.1" diagonal touchscreen control panel

Media Touchscreen offers the most up to date on media

Key-Start Tray Door offers a wide of 20 copies (A4) or 100 (A3) at once

60-sheet MPF uses thickness of up to 20 pages at once

- **100-sheet MPF** meaning single pass feeder scans up to 100 images per minute.
- Flexible paper handling supports media up to 100 gsm, allowing users to print on a wider variety of paper stock or media.
- **Smart controller design** ensures MPF remains up to date by periodically checking for updates.
- Easily scan documents to Microsoft and PDF file formats, or **direct print** from file types from mobile devices and cloud applications with **optional expansion kits**.

- Energy Star 3.0 certified offers among the lowest energy power consumption in the category.
- Enhanced touchscreen delivers an accurate, responsive user experience and provides easy access to features.
- Collaborate with hybrid workers using optional cloud services - Microsoft Teams, Google Drive™, Dropbox and others.
- Supports native Universal Print from Microsoft, with optional FrontPage 3rd party enabling businesses to easily adapt to the growing cloud market.

- Strong, multi-layered security includes system integrity check at startup, firmware attack prevention and optional CyberSense™ software to help protect your data.*
- Wireless LAN supports 802.11ac Wi-Fi for stable, high-speed network communication (optional).
- **Sharp iAUX™** technology provides a secure and intuitive user experience for integrated workflows (optional).
