

ADVANCED SERIES COLOR DOCUMENT SYSTEMS simplex copier**Designed for today's individual workstyles.**

From media handling to workflow and collaboration, the new Advanced Series delivers the features businesses need to get the job done.

The new Advanced Series color document systems enable workers to collaborate and share information seamlessly and securely. Enhanced cloud services such as Microsoft Teams makes it easy to streamline communication and enhance productivity with hybrid workers.

Easy-to-use Touchscreen: Award-winning design that delivers an accurate, responsive user experience, imperative for today's sophisticated workforces.

Touchless Paper-on Efficiency: Innovative features for optional double-feed scan detection and enhanced auto sheet correction ensure jobs come out right the first time, every time.

Seamless Application Integration: Easy access to expanded cloud services, quickly connect with mobile devices, including touchless operation with the Sharp Synapse Go app.

Leading Security: The Advanced Series uses the latest security technology in today's hybrid working environments to protect endpoint devices from security threats.

10" Award-Winning Touchscreen Interface (1)

Full in-vehicle feature* enables user access and control for others.

Key-Scan Feeder (2) offers a range of 30 public-key feeds (3) and auto-feed.

High capacity 60-sheet DPF* user document output (4) pages per month.

• **60-sheet displaying single-pass feeder** offers double-feed detection (optional) and scans up to 60 images per minute.

• **Flexible paper handling supports feeds up to 300 gsm**, allowing users to print on a wide variety of paper, cloth or media.
