

ADVANCED SERIES COLOR DOCUMENT SYSTEMS simplex copier**Designed for today's individual workstyles.**

From media handling to workflow and collaboration, the new Advanced Series delivers the features businesses need to get the job done.

The new Advanced Series color document systems enable workers to collaborate and share information seamlessly and securely. Enhanced cloud services such as Microsoft Teams makes it easy to streamline communication and enhance productivity with hybrid workers.

Easy-to-use Touchscreen: Award-winning design that delivers an accurate, responsive user experience, imperative for today's sophisticated workflows.

Touchless Presence or Efficiency: Innovative features for optional double-feed scan detection and enhanced auto clean collection areas allow users to get right the first time, every time.

Seamless Application Integration: Easy access to expanded cloud services, quickly connect with mobile devices, including touchless operation with the Sharp Synapse Go app.

Leading Security: The Advanced Series uses the latest security technology in today's hybrid working environments to protect endpoint devices from security threats.

10.1" diagonal touchscreen control panel

Easy to operate touchless interface and access via cloud for others

Easy-to-use touchless interface offers a range of cloud services including contactless and mobile access

High capacity 60-sheet ADF with document of up to 300 pages or more

- **60-sheet displaying single pass feeder** offers double-feed detection (optional), and scans up to 300 images per minute.
