The following example shows how to replace a **Yellow Toner Cartridge**.

Tips

- ❖ Shake a new **Toner Cartridge** well, approximately 5 to 10 times, before installing it.
- ❖ If a Toner Cartridge other than for black is empty, printing can be continued forcibly using black. Tap [Continue], and then select a desired print job.
- ❖ Do not forcibly open or disassemble a **Toner Cartridge** (toner container).
- ❖ Do not forcibly remove or dispose of toner that remains in a **Toner Cartridge** (toner container).

NOTICE

- ❖ Install a **Toner Cartridge** for each label color. If you try to forcibly install a Toner Cartridge in the incorrect position, it may result in a failure.

WARNING

- ❖ Do not throw toner or a container that contains toner (e.g., toner cartridge, developing unit and Waste Toner Box) into an open flame. The hot toner may scatter and cause burns or other damage.

CAUTION

- ❖ Do not leave toner-related parts (e.g., toner cartridge, developing unit and Waste Toner Box) within easy reach of children. Licking any of these parts or ingesting toner could damage your health.
- ❖ Do not store toner-related parts (e.g., toner cartridge, developing unit and Waste Toner Box) near devices susceptible to magnetism, such as precision equipment and data storage devices, otherwise they may malfunction. They could cause these products to malfunction.
- ❖ Do not force open the toner-related parts (e.g., toner cartridge, developing unit and Waste Toner Box). If toner tumbles from the toner bottle, take utmost care to avoid inhaling it or even getting skin contact.
- ❖ If toner lands on your skin or clothing, wash thoroughly with soap and water.
- ❖ If you inhale toner, move to a place with fresh air and gargle with a lot of water repeatedly. Should you get symptoms such as coughing, seek medical advice.
- ❖ If you get toner into your eyes, immediately rinse them with running water for over 15 minutes. Seek medical advice if irritation persists.
- ❖ If you swallow toner, rinse out your mouth and drink a few glasses of water. Seek medical advice if necessary.
